

NOVA 6 SPS

High efficiency COB LED work light with exchangeable battery

ORIGINAL
SCANGRIP

SINCE 1906

The elegant and sturdy NOVA 6 SPS provides up to 6000 lumen making it a powerful all-round work light for the demanding professional user.

The new SCANGRIP POWER SOLUTION provides you with unlimited availability to light. Easily you can insert a new, fully charged battery and continue the work while another battery is charging. Or you can simply add the charger directly to the lamp to get power supply. The integrated battery backup function prevents you from being without light at any time.

With the integrated BLUETOOTH light control you get an extraordinary possibility to turn on/off up to four work lights and adjust the light output into five different levels to suit the work task in question through your mobile device. This new feature saves time from manual operation and increases work efficiency on a daily basis.

The design is elegant, with a carrying handle and a stand for flexible positioning and direct mounting on the SCANGRIP TRIPOD. Dust and waterproof, IP67, and supplied with a built-in power bank with USB outlet to charge mobile devices.

Use battery charger directly on the lamp as power supply
