

SCANGRIP DIFFUSER LARGE

Diffuse your SCANGRIP work lights

ORIGINAL
SCANGRIP

SINCE 1906

The light diffuser is designed to spread and soften the light, enabling you to illuminate an entire workspace and avoiding hard shadows. It gives you increased functionality and new possibilities to adapt your work light even further to the specific work task.

The cover is incredibly smooth and lightweight. The strong built-in magnets make it easy and safe to mount the cover on your SCANGRIP lamp.

Fits:

03.5442 NOVA 5K

05.5443 NOVA 5K C+R

03.5444 NOVA 10K

03.6001 NOVA 6 SPS

03.6002 NOVA 10 SPS

03.5654 MULTIMATCH 8

- Spreads and softens the light avoiding hard shadows
- Illuminates the entire working area – even into the darkest corner
- Minimizes reflections and harsh light
- Reduces blinding
