

SOUND LED S

Rechargeable audio LED work light

Small and compact work light with integrated speaker ideal for the workplace.

Featuring the latest and unique COB LED technology, SOUND LED S provides high light output up to 600 lumen, with a uniform and even illumination. It is a handy and sturdy work light, easy to carry and always near at hand.

With the integrated wireless function, you can easily control the music from your mobile device.

The flexible bracket supplied with a strong magnet enables you to position the lamp anywhere you want in the desired lighting angle.

It is dust and waterproof, IP65, and can be used for both indoor and outdoor work.
